STATEMENT

A photo purportedly showing Former Senator Ramon “Bong” Revilla, Jr. together with Spouses Curlee and Sarah Discaya is currently circulating on social media. Mr. Revilla categorically denies knowing Spouses Discaya and having had any dealings with them. He has no recollection of the photo in question or the circumstances under which it was taken.

If the photograph is authentic, it could only have been a harmless and incidental photo opportunity. During Mr. Revilla’s tenure as senator, it was a common practice to welcome guests into his office and to accommodate requests for photographs. Over the years, countless visitors came and went, many of whom Mr. Revilla could no longer possibly recall.

Mr. Revilla will not allow anyone to tarnish his name and reputation through unfounded insinuations. He respectfully urges the public and the press to exercise greater circumspection and to refrain from giving credence to baseless claims.
